

Lesson 23

Genesis 29; 35:23-26: JACOB'S WIVES AND SONS

FOR OLDER CHILDREN: A paper doll chain.

Materials: 8½"x11" paper (any color or colors), scissors, paste.

In class: Cut the paper in half lengthwise. Each child gets three pieces 4½"x11".

- 1) Fold each piece in half; fold in half again.
- 2) Refold in accordion fashion.
- 3) On the top section draw the outline of a person.
- 4) Cut through all sections at once (each sheet at a time), leaving the folds intact where the hands meet the edges.
- 5) Unfold, paste the three sets of four men together at hands. Write the names on the sons. Post on the bulletin board or in your classroom. Many adults do not know the names of the twelve sons, so this can be educational for them, too.
